7 UNITED STATES DISTRICT COURT  
8 WESTERN DISTRICT OF WASHINGTON  
9 AT SEATTLE

10 UNITED STATES OF AMERICA,

CASE NO. CR19-0117JLR

11 Plaintiff,

ORDER

12 v.

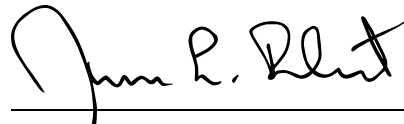

13 SHAWNA REID,

14 Defendant.

15 Before the court is Defendant Shawna Reid's motion for a trial without  
16 COVID-related restrictions or, alternatively, a trial continuance. (Mot. (Dkt. # 104).)  
17 Plaintiff the United States of America ("the Government") opposes the motion. (Resp.  
18 (Dkt. # 108).) On June 30, 2021, the Western District of Washington updated its health  
19 and safety measures related to COVID-19 in a manner that addresses many issues raised  
20 in Ms. Reid's motion. *Compare* W.D. Wash. Gen. Order 10-21, *with* (Mot.) Moreover,  
21 on July 7, 2021, the court struck the trial date in this case and set a hearing on July 12,  
22 2021, to discuss a new trial date with the parties. (*See* 7/7/21 Order (Dkt. # 134).)

1       Accordingly, the court DENIES Ms. Reid's motion (Dkt. # 104). To the extent  
2 that Ms. Reid moves to prevent the use of COVID-19 related health and safety measures  
3 that are no longer in place, the court DENIES her motion as moot. To the extent that Ms.  
4 Reid moves to prevent the use of COVID-19 related health and safety measures that are  
5 still in place, the court DENIES her motion without prejudice as the court cannot predict  
6 what health and safety measures will be in place for a trial date that has not been set. As  
7 for her request for a continuance, the court DENIES her motion as moot as there is no  
8 trial date currently set in this case.

9       Dated this 8th day of July, 2021.
